Proper Conduct:

It is imperative to the vitality and the success of this program that everyone involved address each other with the utmost respect and refrain from committing acts of brutality, misconduct or disrespect.

Team coaches are responsible for maintaining control over their team members during game play or while on the deck. Failure to maintain control over a player(s) may result in the ejection of the coach from the game or the deck and the forfeit of the game should there not be an additional staff member available to supervise the team.

Any coach who is ejected for misconduct or disrespect shall leave the premises immediately; failure to do so may result in that coach not allowed to participate in LA84 Foundation sponsored programs. Two ejections within the season will automatically remove that coach from the program. The employing agency and the coach will be sanctioned by an ad hoc committee consisting by the Program coordinator and at least one other third-party member. Sanctions against the coach will follow the coach regardless of any employing agency status changes.

Acts of brutality, misconduct and or disrespect shall not be tolerated. Players who commit an act of brutality shall be ejected for the remainder of the game without substitution and in addition to USA Water Polo rules may also lose participation privileges for the remainder of the season.

Should an act of brutality, misconduct or disrespect occur and a player be ejected from the field of play, that player must comply with the official's instructions without hesitation. If the incident incites other teammates to react with continued acts of brutality, misconduct or disrespect, a forfeit will be awarded to the offending team and the game will cease to continue. Any continued acts of the mentioned offenses by anyone in the field or on the deck will result in the forfeiture of their team's next scheduled game.

All coaches will be expected to wear their agency issued uniform or LA84 Foundation shirt at all practice sessions and games. No altered shirts are acceptable.

Protests:

- Discretionary calls by the referee may not be protested. Protests are accepted on the grounds of violating governing rules of the league only.
- Protests shall be entered in writing by the disputing coach and accepted by the Coordinator on the day of the game only.
- A committee shall be formed within (3) working days of protestation for the purpose of review. The committee shall consist of the Coordinator, Meet Manager and at least one non-disputing Program Coordinator.
- The Coordinator, acting as the spokesperson for the committee, shall report back to the protestor by no later than the fourth day after lodging of original protest with its finding.
- Where protests involve issuance of awards, no award shall not be distributed until all protests have cleared.
